Instant Camera

*Cute and compact body design  
- instant photos, instant fun!*

# instax mini 8 - the camera that brings instant fun and excitement to your everyday life

## Simple operation for instant pictures

Press the button beside the lens to turn power on.

Adjust the dial to the lit position.

Shoot and obtain pictures instantly.

## High-key mode

You can take a high-key photo easily.

Setting the brightness adjustment dial to the high-key mode mark allows you to take pictures with a softer impression.

\* Simulated image

## Brightness adjustment dial

instax mini 8 automatically determines the best brightness for taking a picture, and informs you of the suitable setting by lighting the corresponding lamp. Turn the brightness adjustment dial to the position (mark) of the lit lamp.

## Description of marks

	Indoors, Night F12.7
	Cloudy, Shade F16
	Sunny, Slightly cloudy F22
	Sunny and bright F32

Shutter speed  
1/60 sec. (Fixed)

The flash always fires.

## As a fashion item

ENJOY coordinating your fashion with the camera's body color, and the optional hands-free shoulder strap.

Enjoy  
instax

Photos can be printed immediately, adding to the fun by creating keepsakes to share on any occasion

## Decoration

Have fun adding illustrations and text to your shots.

## Interior

A credit card sized photo can be an attractive room decoration.

## Memories

Precious memories are best saved by printing out and collating photos in an album.
